Safety Technology uses cumulative pricing. To keep it simple, we have only 2 price levels:

Under \$1000 and Over \$1000. Once you have spent a total of \$1000 with us, you will be at the \$1000+ price level. You will stay at that price level even if future orders are under \$1000.

In other words, you are locked in to our best prices once you've spent \$1000 with us.

Safety Technology Return Policy

We as a wholesaler will replace any defective item. There is a 20% restocking fee for the return of non-defective items.

You may have your customers send a defective item directly back to us if you wish. Your customer will package the item and then address it to your company but with our address (see diagram below). This is so that you don't have to handle returns and that your customer never finds out about us.

You will need to login to the online ordering system and click on RMA# to obtain a Return Merchandise

Authorization number. The RMA # must be written on the outside of box. There must also be a note in the box explaining the problem. Returns received without a note will result in a longer processing time.

RETURNS THAT DO NOT HAVE RMA #'S ON THE LABEL WILL BE REFUSED AND RETURNED TO SENDER.

Safety Technology Confidential Wholesale Prices

1867 Caravan Trail #105, Jacksonville, FL 32216 / (800) 477-1739 (904) 720-2188 FAX (904) 720-0651

Safety Technology Return Policy cont.

Sample return package:

Your Company Name

RMA # 00000000

1867 Caravan Trail #105

Jacksonville, FL 32216

Once a return is received we will determine whether or not it is defective and then process the customer's request.

Replacements for defective item will be shipped directly back to your customer just as a drop ship would at no charge.

If product is NOT defective, a choice of in house credit or reship product back to customer will be given.

CAMERA WARRANTY: We guarantee all Safety Technology CAMERAS to be free of defects in workmanship and material for 90 days (unless manufacturer's warranty is longer; please call) after sale to the customer.

We update the online ordering site with the status of the return when the order is received and then processed.

Safety Technology does not pay for shipping of returned items.
